Form of Interlocal Cooperation Agreement

**INTERLOCAL AGREEMENT FOR THE CREATION OF A SCHOOL DISTRICT
AMONG THE CITIES OF LEHI, CEDAR HILLS, HIGHLAND, ALPINE, AMERICAN
FORK, AND DRAPER**

This *Interlocal Agreement* (hereinafter "Agreement") is entered into by and among Lehi City (hereinafter "Lehi"), the City of Cedar Hills, (hereinafter "Cedar Hills"), Highland City (hereinafter "Highland"), Alpine City (hereinafter "Alpine"), American Fork City (hereinafter "American Fork"), and Draper City (hereinafter "Draper") (each, a "Party" and collectively, the "Parties"), pursuant to the State of Utah's Interlocal Cooperation Act, Utah Code Ann. § 11-13-101, et seq., and Utah Code Ann. § 53G-3-301, et seq (the "Act").

This Agreement shall be binding and effective upon the completion of each of the following (hereinafter "Effective Date"): (1) each Party affixing their respective signatures hereto; (2) the Agreement being approved by each Party, as contemplated by Utah Code Ann. §§ 11-13-202(2) and 11-13-202.5; and (3) the Agreement being filed with the keeper of records of each of the Parties, as required by Utah Code Ann. § 11-13-209.

Section 1. Recitals.

1.1. WHEREAS, the Parties have determined that it would be in the public interest to cooperate to provide for the improvement and more efficient administration of the public education system for grades K-12 in the incorporated limits of each Party.

1.2. WHEREAS, the Act specifically sets forth the process to create a new school district from an existing school district, and the Parties desire to follow said process.

1.3. WHEREAS, pursuant to the Act, in order to make such improvements, the Parties have determined to create a new school district throughout the contiguous area of the incorporated limits of each Party located within the boundaries of Utah County and certain unincorporated areas of Utah County within or adjacent to the incorporated limits of the Parties, which boundaries are depicted in the map attached hereto as **Exhibit A**.

1.4. WHEREAS, the boundaries of the new school district satisfy the requirements of the Act, because the boundaries are contiguous, include the entire boundaries of each participant municipality with the exception of Draper, include the portion of Draper that is currently within the Alpine School District, and include contiguous portions of Utah County that would become an isolated area if not included in the new school district in accordance with the Act, and will not result in any geographically isolated areas.

1.5. WHEREAS, a feasibility study was conducted by MGT Education to meet the requirements under the Act.

1.6. WHEREAS, the combined population of the Parties exceeds the minimum population threshold of at least 50,000.

1.7. WHEREAS, the combined population of the Parties is at least 80% of the total population of the proposed new school district, as required by the Act.

1.8. WHEREAS, the student population of the proposed new district exceeds 3,000 and the existing district's student population will not be less than 3,000 because of the creation of the new school district, as required by the Act.

1.9. WHEREAS, the Parties desire to cooperate in obtaining voter approval for the creation of a new school district (hereinafter "District") pursuant to Act.

1.10. WHEREAS, pursuant to the Utah Code, the Parties intend to end their relationship with Alpine School District ("Alpine District") and create the District.

Section 2. Terms of Agreement.

2.1. Pursuant to the Act, the Parties are entering into this Agreement to submit a proposal for voter approval to create the District. The Parties shall work together in a close and cooperative relationship to implement the establishment of the District. The Parties agree to proportionately share the respective costs and fees associated with this Agreement.

2.2. In September 2023, Alpine District began a feasibility study with MGT Education related to the reconfiguration of Alpine District. This feasibility study satisfies the requirements under the Act in order to allow the Parties to submit a proposal to create the District to Utah County.

2.3. The District shall run for the contiguous area of the Parties and shall incorporate all the incorporated limits of the Parties located within the boundaries of Utah County into the District, including the portion of Draper within the boundaries of Utah County pursuant to the Act, and certain unincorporated areas of Utah County within or adjacent to the incorporated limits of the Parties, leaving the remaining boundaries of Alpine District contiguous, with no isolated area. The District shall not cross county lines.

2.4. Pursuant to Utah Code Ann. § 11-13-207, the Parties shall create a joint board with representation from each Party having equal voting power. All decisions regarding the acquiring, holding, and disposing of real and personal property in furtherance of this Agreement shall be made pursuant to a vote of the joint board.

2.5. To the extent permitted by Utah law and without waiving their right or duty to take the procedural steps and analyze the substantive considerations required by Utah law, the Parties intend to cooperate and work together in meeting all requirements under the Act for the creation of the District, including but not limited to immediately filing a request with the county clerk to initiate the process to create a new school district in the form of the attached **Exhibit B**, submitting the matter for voter approval, and establishing a transition team if required by law should the creation of the District be approved. If allowed by law, the Parties shall also work together collectively to seek reimbursement of the Parties' costs incurred in the creation of the District.

Section 3. Term and Termination.

3.1. This Agreement shall commence on the Effective Date and continue indefinitely, until terminated in accordance with this Agreement or applicable law, or until the Parties agree that the purpose of this Agreement is complete, but in no event longer than fifty (50) years from the Effective Date.

3.2. This Agreement may be terminated by the Parties in the event that any party materially breaches its obligations under this Agreement; provided that a breaching Party shall be entitled to thirty (30) days' notice to cure the breach; if the breaching Party fails to cure the breach within this period, the non-breaching Parties may terminate this Agreement.

3.3. A Party may withdraw from this Agreement by providing the other Parties with fourteen (14) days' written notice of the withdrawal.

Section 4. Budget and Taxes.

Each Party shall be solely responsible for any tax liability which it may incur as a result of this Agreement and to separately finance and budget for any other revenues or expenditures arising out of or required for the performance of the Party's obligations under this Agreement. Any tax and financial liability of the District after its establishment will be borne solely by the District.

Section 5. Liability and Indemnification.

5.1. Each Party shall be solely responsible for responding to and defending any claims which may be asserted against it which occur prior to the formation of the District. Consequently, to the fullest extent permitted by law, each Party shall indemnify, defend, and hold harmless the other Parties against all claims, damages, lawsuits, losses, liabilities, liens, cost, citations, penalties, fines and expenses, including (but not limited to) attorneys' fees, arising out of or resulting upon the indemnifying Party's responsibilities under this Agreement. However, the provisions of this Section 5.1. shall not be applicable to an indemnified Party to the extent any claim of liability is the result of some negligent, grossly negligent, intentional, or unethical act or inaction attributable to such Party. After the formation of the District and expiration of any appeal, referendum, or challenge periods, this Section shall terminate and the District shall be responsible for its own liability including any and all claims and actions against it.

5.2. Nothing in this Agreement, nor the performance hereof, shall adversely affect any immunity from suit, or any right, privilege, claim or defense, which any Party or its employees, officers and directors may assert under State or federal law, including but not limited to The Governmental Immunity Act of Utah, UTAH CODE ANN. § 63G-7-101, *et seq.* All claims against any Party or its employees, officers and directors are subject to the provisions of the aforementioned Act, which controls all procedures and limitations in connection with any claim of liability.

5.3. Notwithstanding any provision set forth herein, no Party shall be liable to another Party or any other person for the Party's decision to withdraw from this Agreement after exercising such Party's right or duty to take the procedural steps and analyze and make a legislative decision regarding the substantive considerations required by Utah law in connection with the creation of the District.

Section 6. Representations and Warranties.

Each Party represents that its signatory has the authority to bind the Party to this Agreement.

Section 7. Confidentiality.

The Parties acknowledge and agree that this Agreement may be subject to public disclosure pursuant to the Government Records Access and Management Act, UTAH CODE ANN. § 63G-2-101, *et seq.*, as the same may be amended from time to time.

8.2. Likewise, any exhibit referenced in this Agreement, or attached hereto, is incorporated into this Agreement by this reference.
